Support for China Scholarship Council (CSC) Sponsored PhD Students from Ocean University of China (OUC), South China University of Technology (SCUT), Xi’an Jiaotong University (XJTU), Tianjing University (TU) and Beihang University (BUAA)

In order to promote research collaborations under the Memorandum of Understanding between UNSW and OUC, SCUT, XJTU, TU and BUAA, UNSW@ADFA would provide the following support.

1. Each CSC sponsored PhD student accepted by UNSW@ADFA would not have to pay tuition fees.
2. A top-up scholarship of $10,000 per year will be provided to each CSC sponsored PhD student by the School in which the student is enrolled for the duration of the CSC doctoral scholarship subject to satisfactory annual progress review.
3. Overseas Student Health Cover will be provided to each CSC sponsored PhD student by the School in which the student is enrolled for the duration of the CSC doctoral scholarship subject to satisfactory annual progress review.
4. An establishment scholarship of $1,000 will be paid in full to each CSC sponsored PhD student on the date of commencement of studies to support their initial settling in Canberra. In addition, 4 weeks of accommodation will be provided free on arrival.
5. For each CSC sponsored PhD student at UNSW@ADFA, a staff member from the CSC home University (ie, OUC, SCUT, XJTU, TU and BUAA) may be appointed as a co-supervisor of that student.
6. Up to two co-supervisors from each home university (OUC, SCUT, XJTU, TU and BUAA) per year would be supported through the Rector-funded visiting fellowship scheme to undertake short term research visit to UNSW@ADFA.
7. A UNSW@ADFA Coordinator would be appointed for CSC sponsored PhD students.
