UNSW@ADFA
Establishment Scholarships
for Commencing Research Scholarship Students

Policy

1. The purpose of Establishment Scholarships is to provide support to commencing higher degree research scholarship students in the beginning of their candidature at UNSW@ADFA.

2. There is no application for Establishment Scholarships. These Scholarships are automatically awarded to UNSW@ADFA higher degree research students when they are being awarded one of the following scholarships: APA, UPA, EIPRS, UIPA, UCPRS, DSARC Scholarship, Research Training Scholarships, China Scholarship Council (CSC) Doctoral Student Scholarships and scholarships funded by research projects with a stipend value of normally not less than $20,000 per annum.

3. The value of an Establishment Scholarship, funded from the School in which the Scholarship student is enrolled, is $1000 payable to higher degree research scholarship students on the date of commencement of their studies.

Procedure for Administering Establishment Scholarships

- Research & Research Training Office (RTO) to contact new higher degree research scholarship students to ascertain their approximate date of arrival.
- RTO to arrange with UNSW@ADFA Finance to issue a $1000 establishment scholarship cheque for each student at least two weeks before their arrival.
- RTO to arrange with the Defence Credit Union for the cheque to be cashed.
- RTO to provide cheques to students on the date of commencement of their studies.
